These headphones have an internal rechargeable battery. The battery must be fully charged prior to use. Charging time is approximately 2 hrs. Your headphones cannot be used while charging.

RED Light ON - Charging Light OFF- Fully Charged

CHARGING VIA COMPUTER

Using the provided Micro USB cable, connect the headphones to the computer or laptop (USB port).

CHARGING VIA AC ADAPTER WALL CHARGER

Using the provided Micro USB cable, connect the headphones (Micro USB port) to the AC Adapter (USB port).

PAIRING THE HEADPHONES TO BLUETOOTH DEVICE

Make sure the Bluetooth function is available on your cell phone. Specific pairing procedures will be different depending on different cell phone. For detailed information, please refer to your cell phone's User Guide.

- If no device connection is made within 10 minutes of the headphones being switched on, the headphones will automatically be switched off to save power.
- After a successful pairing devices will memorize each. Therefore, no pairing will be needed next time.

1. Keep the distance between the cell phone and the headphones within 3 feet (for pairing only).
2. Press the multifunction button for a couple of seconds and the headphones will turn on. The announcement "Power ON" will sound and the blue light will come on.
3. The device will automatically go into pairing mode until the announcement "Pairing" will sound as blue and red lights flash alternately.
4. Activate the Bluetooth function of the cell phone to search for the Bluetooth devices. After finishing the search, select "Tzumi-Headphones" in the device list displayed.

PAIRING TO BLUETOOTH DEVICE (CONTINUED):

5. Only for some electronic devices: Press "yes" or "enter" key to confirm the successful pairing.
6. After the successful connection, the blue light of the headphones will flash one time every few seconds.

CONNECTING TO OTHER BLUETOOTH DEVICES

Note: Your headphones can only be connected to one Bluetooth device at a time.

1. In order to connect to the other Bluetooth device, you must first close the current Bluetooth connection.
2. Follow the above steps (under PAIRING TO BLUETOOTH DEVICE) to pair your headphones to another Bluetooth device.

FAQs

Q: Why can't I turn the headset on?

A: Make sure your device is fully charged before using it for the first time. Your device can not be turned on if battery level is very low. Refer to Charging the headphones section of the manual.

Q: There is no sound during playback.

A: Check the connection between your device with phone or computer. If the connection is not established, please reconnect again. And adjust the volume level to a suitable level.
